PROPOSED 20@22 HARMONIZED AGENDA

- 9. Human Capital Development and Education.** Investment in human capital development **through** accessible, inclusive, nationalist, **relevant**, liberating, rights-based and quality education for all that enables **lifelong learning for** children, **youth** and adults **in order** to lead a meaningful life and to be of service to others and to the country.

PROPOSED 20@22 HARMONIZED AGENDA

10. Science, Technology , Innovation and Creative Arts. **Enable research and development, innovation and creative capacity towards improved productivity and sustainable inclusive development.**

- **Ensure the adoption of S&T-based interventions in the agriculture, industry and services sector to be globally competitive.**
- **Development and use of new and emerging information and communications technologies to strengthen the science, technology and innovation ecosystem as well as climate smart technologies in light of a global market economy increasingly affected by climate change.**
- **Increase investments in STI-based start-ups, enterprises and spin-offs.**
- **Enhance creative capacity for knowledge and technology generation, acquisition and adoption.**
- **Strengthen collaboration among stakeholders in the Science, Technology and Innovation ecosystem and the Creative Arts community.**
- **Embed information and communications technology (ICT) in nation building and ensure the public's safe, fast and reliable access to information through smart ICT.**
- **Provide a venue where innovative S & T ideas may be showcased.**

PROPOSED 20@22 HARMONIZED AGENDA

18. Ecological Integrity. Responsible management of natural resources (land, air, water) and strict enforcement of compliance to environmental safeguards towards achieving sustainable ecosystems resilient to climate change effects.

- **Climate change mitigation through reduction of emissions and greenhouse gases, among other disaster risk reduction measures.**
- **Strict implementation of proper waste management and establishment of urban green spaces.**
- **Mainstream comprehensive land use plans and zoning ordinances in climate change adaptation and disaster risk reduction.**

PROPOSED 20@22 HARMONIZED AGENDA

20. **Culture.** Culture-sensitive development that advances cultural expression and strengthens the Filipino identity and nationalism, **engaging all as culture bearers including those overseas.**

THANK YOU!
